# CAPERNAUM BENEFIT CONCERT

Singer-songwriter Chris Williams will be performing at **Cool Spring Baptist Church on February 28th at 7:00pm**

Chris Williams (CW) has a huge heart for songwriting and an even larger heart for students with disabilities. The Boston Phoenix states "lush guitar work, sweet soaring vocals, and sometimes the added percussive vulnerability of a single djembe hand drum." [www.christopherw.com](http://www.christopherw.com)

We'd love to have you hear the sweet music of CW and experience the impact that Capernaum is having on the lives of students with disabilities. [www.hanover.younglife.org](http://www.hanover.younglife.org)

All proceeds will benefit Young Life Capernaum, an outreach to young people with physical and/or intellectual disabilities. Through loving relationships and great quality care, the goal of Capernaum is to give kids with disabilities the same chance to hear the Gospel and experience the gift of life as able-bodied kids.
