

EXPERIENCE THE BEAUTY OF THE HOLY LAND AND YOUNG LIFE MINISTRY IN ACTION!

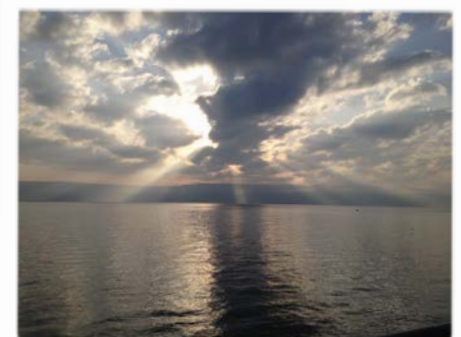

March 8 - 18 2018

\$3800 includes flights, accommodations, ground transportation, cultural activities and tour guides, daily meals, travel insurance, all tips, donation to YL Middle East camp scholarships. These costs can be fundraised through Managed Missions. See below for more info.

Join Young Life WVU as they go serve Young Life Middle East kids next March! There's nothing like serving God and seeing His work in different cultures to grow in your own faith! Scripture will come alive as you visit many of the Bible's most significant historical sites. You'll have the wonderful opportunity to engage with Young Life staff and leaders in Israel and Palestine who are following the rich tradition of caring for teenagers in their neighborhoods.

Young Life has had a presence in Nazareth, Bethlehem and in Zababdeh for almost six years, and has begun new work in several other locations around the region. Young Life has grown by leaps and bounds and Expeditions teams have been so instrumental in helping them grow! Kids and families are being deeply impacted by Young Life all around the Holy Land.

The group will have time touring and seeing the historical and cultural sights as well as connecting with Young Life kids who will share about their own experiences and culture by either serving YL by helping put on a camp or doing a service project. It will be an incredible, uniquely Young Life experience!
