

# Young Life Expeditions Peru

## Inca Trail / Machu Picchu - May 26-June 4, 2016

### Come Experience the Extraordinary in Peru!

Young Life in Peru is known as Young Life Algo Nuevo and leaders in Peru have a rich tradition of loving teenagers in their neighborhoods!

Young Life has a wide presence in the many types of communities of kids in Peru. In Lima, Peru and beyond, leaders are reaching out to high and middle school aged kids in all economic classes. They're also running a ministry to kids with disabilities with Young Life's Capernaum ministry. Young Life leaders love kids at El Refugio school by teaching English classes and serving at orphanages and soup kitchens each week. Young Life leaders in Peru work tirelessly loving every kind of kid!

An Expedition team will be able to serve alongside Young Life in variety of ways when visiting Young Life in Peru. They'll be engaging with kids and leaders in their neighborhoods.

People who take time and resources to come and see Peru Young Life ministry in action and help serve their community by doing a service project offer an enormous boost to Young Life Peru and will themselves be transformed!

We all need one another's encouragement and love and the Expeditions program is one of the best ways to build bridges in God's family!

This Expedition team will serve on work crew at a Young Life camp in Lima for 4 days before hopping on a flight to Cusco.

*There is an exclusive opportunity to spend 2 days hiking the famous Inca Trail and 2 days at the legendary Machu Picchu before returning to Lima- the deposit and sign up MUST be in by October 1st for this opportunity. Sign ups after Oct. 1st will still get to experience the Legendary Machu Picchu, only without the exclusive Inca Trail aspect.*
